Baton Rouge, LA

May 2023

## Experience

### SCAD • Yearlong Collaborative Game Project

#### Environment Artist

Savannah, GA

Dec. 2025 - Present

- Followed concepts and art style to create game-ready environment assets.
- Sculpted, unwrapped, baked, and assembled meshes and materials in Unreal Engine.
- Assets consist of 40+ rocks, bonfire, bones, crystals, torches, weapons, and props.

### SCAD Sculpts

#### Digital Sculpting Club Liaison

Savannah, GA

Sept. 2025 - Present

- Organized events, meetings, and extra-help sessions for students learning Zbrush.
- Host industry professionals who come to talk about digital sculpting.
- Run a discord of 900+ members.

### Global Game Jam

#### 3D Lead

Savannah, GA

Feb. 2026

- Led a team of 3D artists, resulting in the game winning the Best Art category.
- Organized the team of artists, resulting in 40+ assets and an animated character.
- Helped with technical problems, creating a very streamlined model-to-engine process.

### SCAD • Teacher's Assistant

- Assisted in a level 200 Visual Effects class.

Savannah, GA

Sept. 2025- Nov. 2025

- Occasionally did demos in class going over helpful things the students should know.
- Provided help for Maya, Substance Painter, and Unreal Engine.

### SCAD • Game Capstone • Juvenate

#### Prop & Environment Artist

Savannah, GA / Hybrid

Nov. 2024 - May 2025

- Concepted, modeled, and textured 15+ game-ready props.
- Winner of the Collegiate Games Challenge, a national game competition.
- 6x winner in SCAD's end-of-year, cross-major, competition, including Best in Show.
